SURFACE 080 ROUGE MULTI

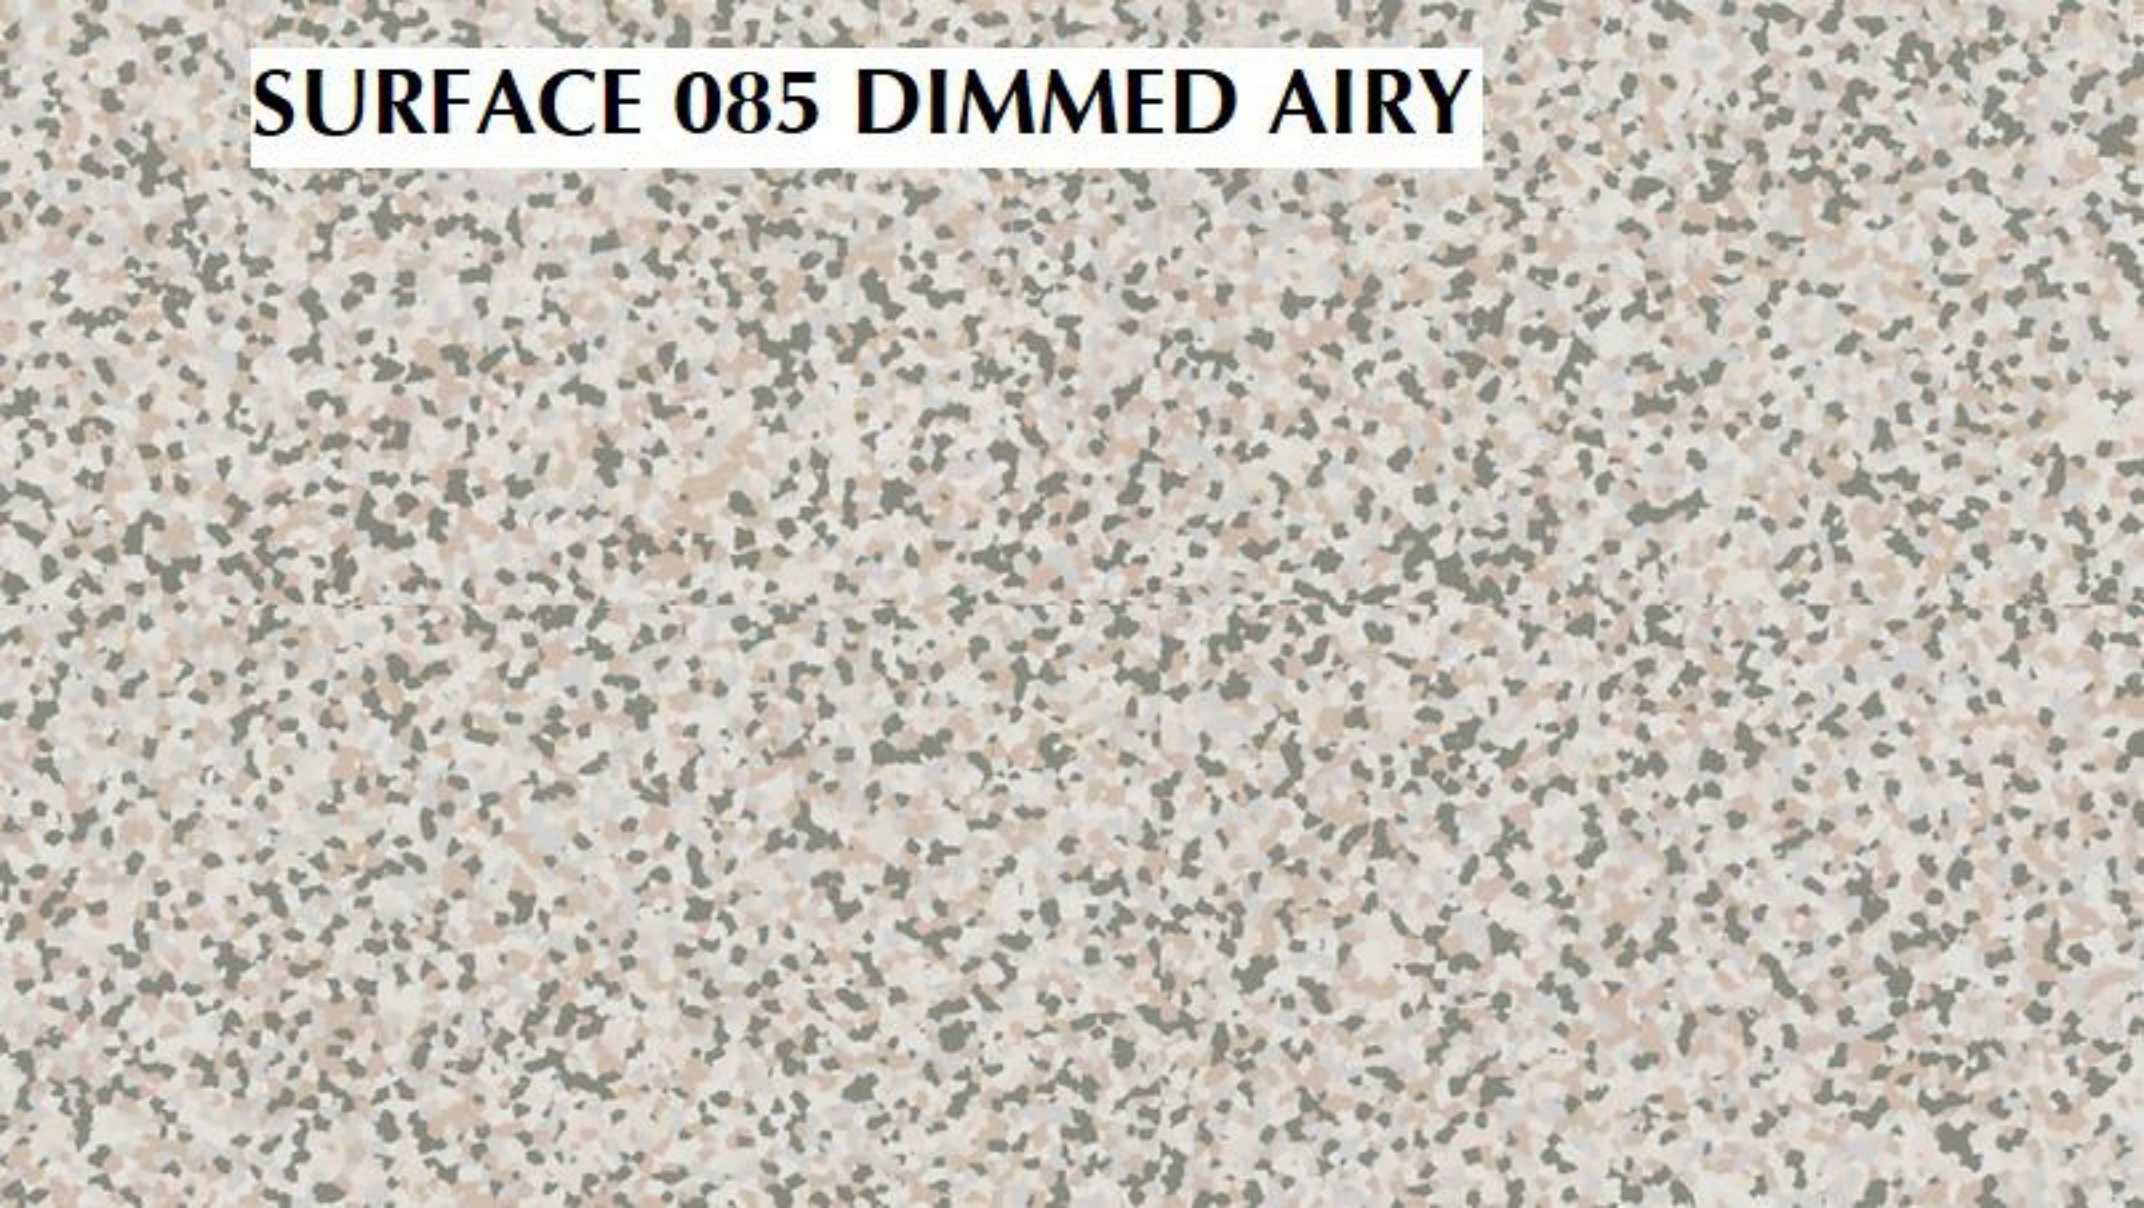

SURFACE 083 CONTRAST AIRY

The background of the image is a dense, high-contrast speckled pattern. It consists of numerous small, dark, irregular spots and blotches of varying sizes scattered across a light gray or off-white background. The overall effect is reminiscent of a starry night sky, a marbled paper texture, or a microscopic view of a material. The pattern is uniform in density across the entire frame.

SURFACE 162 CONTRAST ACCENT

SURFACE 163 ROUGE ACCENT

The image displays a close-up of a dark brown, textured surface. The texture is characterized by a dense distribution of small, light-colored (tan or beige) specks and flecks against a darker, mottled brown background. The overall appearance is reminiscent of a speckled or marbled material, possibly a type of stone or a high-quality laminate. The lighting is even, highlighting the granular nature of the surface.

SURFACE 165 SOBER ACCENT

SURFACE 181 VIVID ACCENT

The image shows a close-up of a dark blue, textured surface. It is covered with numerous small, bright red specks of varying sizes, creating a dense, starry pattern. The overall effect is reminiscent of a night sky or a high-quality, textured material like a book cover or endpaper. The text "SURFACE 181 VIVID ACCENT" is printed in a bold, white, sans-serif font at the top of the image.
