

MEMORIES

Dense curtain fabric; Mask, feather and sea shell motifs, reminiscent of a personal collection of keepsakes are woven as a jacquard in satin quality. The collection determines the character of this strikingly individual item. A high quality decorative detail is supplied by a circular dot element in cut thread technique: The shimmering yarn and the colours form a charming contrast against the base. The eight attractive colour settings are reversible. The matt lustre of linen texture and the fabric's sporadic slightly different consistencies are the hallmark of this fabric and set it apart.
