

SOLIO

Semi-transparent curtain fabric in Trevira CS. The distinctive all-rounder radiates robustness and individuality. The textured yarn was specially developed and has a natural linen-like look. The simple basic generates a natural look in the room. It can be used for wide and varied applications: offices, hotels, clinics, retirement homes and private residences. Solio captivates with wonderfully flowing drape properties, both at the window and in a room. It charms with a comprehensive colour palette which includes a large number of neutral tones in white, beige and grey as well as elegant hues in green and fresh accent colours such as corn yellow, brick red and aqua.
