

## UNION II

Opaque curtain fabric in Trevira CS with a soft feel and fluid drape qualities. The airily light fabric lets daylight into the interior, whilst being completely dense to intrusive stares. Union II can, if needed, be pushed together to form a small space saving gathered parcel. The colour palette encompasses light, neutral and dark tones along with vibrant accent colours.

|                                                                               |                                                                |
